WINTER ESCAPES

Quick Cures for Cabin Fever

You're probably connected all the time. Tweeting, posting on Facebook, checking e-mail, texting and chatting on the phone. You get the kids off to school, fight traffic and after a busy day, the same ole cycle continues. Enough! It is time to unplug, disconnect and most importantly, relax. A cure for "cabin fever" is closer than you think.

THE ALL-ACCESS PASS ESCAPE

Suncadia is just over the mountain pass in Cle Elum, this winter wonderland in the woods offers something for everyone. Crackling fireplaces and wine (romance!), a first-class spa (relaxation), winter activities galore like ice-skating and sledding (the kids will love it). You get the pretty picture. Prices vary and start at about \$225 a night. suncadia.com >>
